

HB 352 -- Sales by Certain School Officials

Sponsor: Hurst

This bill specifies that a school board member, officer, or employee in any school district except the City of St. Louis must follow the provisions of Sections 105.450 to 105.458, RSMo, relating to the sale of Missouri commodities to his or her district. A person who violates these provisions is guilty of a class A misdemeanor and must forfeit his or her position with the school district.
